Sir,

Subject: C O No L 6360-2/CM 27-53-88 dated 28-8-1953 approving the amendment of Rule 12 (a) of the Municipal Provident Fund Rules so as to permit grant of loans

---

Under the present rule 8, loans may be granted up to a maximum limit of 75% of the subscription amount contributed by the member or two months' pay whichever is less It was brought to notice that there were cases of subscribers who deserved a more sympathetic consideration in the matter of advancing of such loans, in particular, persons who often are unable to meet their expenses for their medical treatment etc, unless the rules in this regard were further relaxed

The question of supplementing the provision contained in rule 8 was therefore examined and a suggestion to add the following additional para as sub-clause (e) to the existing Rule 8 of the Municipal Provident Fund Rules, was placed before the Municipal Council at their meeting held on 30-8-1954 after due examination by the Legal Committee

(Vide Separate page annexed)

The Council have duly approved of the proposal I enclose a copy of the resolution as also the proposed amendment and request you kindly to obtain orders of Government sanctioning the amendment

Yours faithfully,

(N Lakshman Rau)
Municipal Commissioner

rwarded with compliments

President.
